### ***THE IDEA***

Love Our Island is a simple idea: If packaging is part of the problem, let it also carry the solution. This free, open icon is available to every brand in Cyprus as a reminder that this place isn't just beautiful—it's ours.

### ***THE GOAL***

To see this symbol as a ubiquitous part of the Cypriot landscape:

- On water bottles and coffee cups.
- On takeaway packaging and napkins.
- On beach kiosks and retail bags.
- On billboards across Limassol and eventually, all of Cyprus.

### ***WHY?***

Packaging travels. Visibility shapes behaviour. People protect what they feel connected to.

Adding this icon to your product says: We operate here. We benefit from this island. We stand behind it.
